

Standard Fittings

LED Twinkle Lights

Fitted as standard on all our hot tubs* this dramatic lighting will enhance your sensory experience and transform your spa into a colour rich paradise. At the touch of a button the waterline lights will circle through an array of colours, and you have the option to stop at the colour of your choice.

*Except the Apollo and Eros

Stainless Steel Fittings

All models are fitted with luxurious looking stainless steel jets as standard, free of charge.

Balboa Control System

Also as standard all our models are fitted with the Balboa Control System

Deluxe Maintenance Free Cabinet

All models are supplied with one of our beautifully crafted polymer cabinets. With the rich, natural appearance of wood the polymer material is durable and does not need to be sanded down and treated each year.

Available in Nuwood Red and Grey.

Nuwood Red

Nuwood Grey
