LED Twinkle Lights

£495

Improve your hot tub experience further by choosing waterline LED lights and waterfall LED light. This dramatic lighting will enhance your sensory experience and transform your spa into a colour rich paradise. At the touch of a button the waterline lights will circle through an array of colours, and you have the option to stop at the colour of your choice.

Deluxe Maintenance Free Cabinet

£100

Models are supplied with a traditional red cedarwood cabinet as standard. However if you would prefer a maintenance free cabinet, then upgrade to our beautifully crafted polymer cabinet, with the rich, natural appearance of wood. The polymer material is durable, and does not need to be sanded down and treated each year.
